# 19th INTERNATIONAL CONFERENCE ON SHIP & MARITIME RESEARCH

The NAV Conference, organized by the Italian Association of Naval Architects and Marine Engineers ATENA, is the only Italian scientific event on the issues of maritime technologies and one of the most important in Europe.

The last edition was held in 2015 in Lecco in conjunction with the EXPO. The intention for the next edition to be held in Trieste in June 2018 is to bring this event to have an increased international relevance, also thanks to the nomination of Netherland as foreign Guest Country and a high level scientific quality.

The presence of Fincantieri's headquarter, a strategic Wärtsilä factory,

Basic Package includes among the others:

- Company Logo on event website, signage room, event AD flyer (Logo and Position will be proportional to Sponsorship Class)
- Social Media mention
- Opportunity to include your branded promotional material in to conference delegate's package

together with many world renowned ship design companies and its port -the largest in Italy and one of the top 15 in Europe - makes the Friuli Venezia Giulia Region the centre of European's Ship and Maritime Industry and Trieste a unique city for the concentration of scientific organizations.

Be part of the most influential conference of European Ship and Marine Research environment: there are numerous sponsorship opportunities available, workshops on specific topic can be organized on request, exhibition booths are available in the conference hall: contact us to receive more information.
