### SPONSORSHIP OPPORTUNITIES

Genova – La Spezia 15-17<sup>th</sup> June 2022

# 20th INTERNATIONAL CONFERENCE ON SHIP & MARITIME RESEARCH

The NAV Conference, organized by the Italian Association of Naval Architects and Marine Engineers ATENA, is the only Italian scientific event on the issues of maritime technologies and one of the most important in Europe.

The last edition was held in 2018 in Trieste. The intention for the next edition to be held in Genova and La Spezia in June 2022 is to continue this event to have an increased international relevance, also thanks to the nomination of United Kingdom as foreign Guest Country and a high level scientific quality.

The presence of first University of Naval Architecture, Fincantieri's military headquarter, RINA headquarters, together with many world renowned ship design companies and its port, the most important in Italy, makes the Liguria a key Region for the European's Ship and Maritime Industry and Genova and La Spezia are home of the scientific organizations and shipyards.

Be part of the most influential conference of European Ship and Marine Research environment: there are numerous sponsorship opportunities available, workshops on specific topic can be organized on request, exhibition booths are available in the conference hall.
